The Onboarding Excellence Program is crafted to enhance your onboarding journey, guaranteeing a smooth integration of Kiflo into your ecosystem.

What does the program include?

Unlimited Onboarding Calls

Access unlimited onboarding calls with dedicated experts for personalized assistance, ensuring a smooth transition and real-time support to address queries and offer instant guidance.

Customized Onboarding Action Plan

Get a customized onboarding plan for your unique needs, offering a detailed roadmap aligned with organizational goals, with the flexibility to adapt to your requirements during the onboarding process.

Quarterly Review Sessions

Participate in regular quarterly reviews for a full progress assessment, addressing challenges through continuous improvement and ensuring onboarding strategies align with evolving business goals.

Product Training

Improve understanding and proficiency through deep product training sessions, explore advanced features with hands-on tutorials, and stay updated on the latest improvements to maximize product value.

Tips and Best Practices from Kiflo

Optimize your onboarding journey and maximize efficiency by leveraging insights from the Kiflo team, accessing curated tips, and staying informed about industry trends and best-in-class practices.

You get everything needed for your onboarding journey with Kiflo for **a single payment of $399,** covering all the necessary support and resources.

Here's what our customers had to say

"The Kiflo team is great to work with - during the discovery and onboarding process, they were more than happy to understand our exact set-up, explore different scenarios, and help customize the experience to our partner needs."

"The Kiflo team has been amazing at helping me implement the software. They are prompt to respond and always happy to spend time helping me & listening to feedback."
