Unlock the Full Potential Of Your Partner Program

Manage your entire Partner Journey to recruit, onboard, engage, track, and reward your partners with a single, easy-to-use platform.

01. LAUNCH

Create new opportunities for growth with organized and scalable partner programs. Craft multiple partner portals, customize them, and motivate partners with program tiers.

02. RECRUIT

Organize and track inbound and outbound partner program growth strategies. Streamline partner applications, customize prospection pipelines, and align communication.

03. ONBOARD

Establish a solid foundation for partners as they begin their journey in the program. Customize onboarding pipelines, share valuable content, and create certifications.

04. ENGAGE

Keep partners motivated and supported in your program. Detect inactive partners quickly, share valuable leads, and keep partners regularly updated.

05. TRACK

Get comprehensive insight into your partner program. Lead submissions and deal registrations, seamlessly integrating with HubSpot, Salesforce, or Zapier.

06. REWARD

Streamline rewards and payouts to build trust with your partners. Create customizable reward models, integrate with the tools you use, stay up to date, and request invoices.

07. SCALE

Use data-driven strategies to grow your partner ecosystem. Ditch manual tasks and replace them with centralized operations, detect problems before they arise, and automate workflows.

Take advantage of our experience and witness how Kiflo can help you accelerate your Partner Success.
