Financial Assistance

Harmony, Odyssey and Discovery Chorus Students

The cost of the choral program totals \$145–\$220 per student for the school year program. Fees are due with registration by the time of the first rehearsal in September.

If this amount proves to be difficult for a family, the fees can be made more manageable in two ways

1. We can break the fees down into smaller payments, as many as seven monthly payments, October through April, as necessary. Payments, which must be made through automatic withdrawal from a checking or savings account, can be set up by calling the office at 319.366.8206, ext. 213, or by completing and returning the attached paperwork.
2. A limited amount of scholarship funding is available. Families seeking financial assistance should follow the procedure below.

FIRST: After your student has been accepted into a chorus, complete registration and uniform order forms in a timely manner.

SECOND: The family requesting assistance should return the above listed paperwork with a letter to the School Manager, Karen Liegl, describing the special circumstance that qualifies your need for financial aid, and the amount of assistance you are requesting. Once a decision has been made, you will be notified. Submit the letter along with registration and uniform order to: Karen Liegl, School Manager, Orchestra Iowa School, 119 Third Avenue SE, Cedar Rapids, IA 52401
