## **LIFE'S HEALING CHOICES** (For College/20-Somethings)

Freedom from hurts, hang-ups and habits for the 20-something age group. We've all been hurt by someone, we've hurt others and we've even hurt ourselves. Learn eight simple life-changing truths to process through life's hurts, hang-ups and habits. A short eight week transforming experience – A class for everyone.

## **SANCTUARY** (For Jr. High & High School)

Sanctuary is a high-energy, relationally-driven ministry that is passionate about seeing Jr. High and High School students connect into healthy relationships with Christ and each other. In Sanctuary, we talk about everyday issues such as: Divorce, Self Harm, Drugs, Alcohol, Anorexia & Bulimia, Abandonment, Anger, Self Confidence, Disappointment, Sex, Negativity, Depression, Abuse, & Anxiety.

## **CELEBRATION PLACE** (For Kids 1st - 6th grade)

Celebration Place has been designed to meet the needs of your kids (K-6th grade), just like Celebrate Recovery meets you where you're at spiritually, physically or emotionally. We want to prepare kids to deal with anything and everything life might throw at them – now or in the future. And while you're learning Scripture in Celebrate Recovery, your kids will be learning the same thing in a way that's unique to children. We consider this a "pre-recovery" program!

## INSIDE PRISONS AND JAILS

Celebrate Recovery provides a natural transition back to the community from the institution since there are churches that have Celebrate Recovery in many communities. Additionally, there is an opportunity for the family of the incarcerated person to receive help as they become involved in Celebrate Recovery at the local level during their loved one's incarceration. Bayside's Celebrate Recovery serves inside both Folsom Prison & Consumes County Jail.
