# Catering Information

## Event Planning Timeline

There are some important decisions for you to consider regarding the catering and execution of your event. Your Catering Sales Manager is ready to assist you in making these decisions a seamless part of your planning. The timeline below will help you in creating the environment and presentation needed for a successful event.

- 90 days prior to your event (or before) we request an initial order. At this time you will be issued a catering agreement and it will be due 10 business days from issue date along with a required deposit.
- 45 days prior to your event you must provide catering locations, approximate numbers of guests and finalized menu choices.
- 10 business days prior to your event we require guest guarantee minimums along with any remaining balance. Once minimums are stated, they can increase, however they cannot be reduced.
- 3 business days prior to your event the final guest count is due.

## GUARANTEES

When providing your initial order, a minimum estimated attendance guarantee must be communicated to the Catering Sales Department. Contract minimums and full payment prior to your event will be based on the minimum estimated attendance. When changes are determined on a per person basis, a "final guaranteed attendance" must be given to Premier no later than 12:00 PM (PST) for each event order based on the following schedule\*:

- Events up to 400 people require the final guarantee three (3) business days prior to the first event.
- Events between 401-2,000 people require the final guarantee five (5) business days prior to the first event.
- Events over 2,000 people require the final guarantee seven (7) business days prior to the event.

This figure is the number of guests for which you guarantee to pay and is not subject to reduction. We will be ready to prepare 5% over your Guaranteed Attendance up to 1,000 guests (50 meals). SMG Food and Beverage will make every attempt to accommodate increases in your count after the final guarantee is due, however, any increase exceeding 10% of the final guarantee will be subject to a 10% surcharge. If the count increases within the final guarantee timeline, the 5% will no longer apply. Once minimums are stated on initial sales orders and signed, they cannot be reduced.

The Guaranteed Attendance (a) shall not exceed the maximum capacity of the areas within the Facility in which the Event(s) will be held, and (b) shall not decrease by more than 25% (or more than 1,000 people, whichever is lower) of the estimated attendance specified on the catering Order(s). SMG Food and Beverage shall be entitled to charge and collect from the Customer any reasonable costs incurred by the Caterer in the event the Guaranteed Attendance figure provided by the Customer is not within the limits stated in this paragraph.

## CONTRACTS, DEPOSITS, AND PAYMENTS

Once initial contact and event information is communicated to your sales manager you will receive a contract for the entire event. You will be issued catering sales orders for each service.

- 60 days prior to your move-in day for your event we require a signed copy of the sales order and the food and beverage agreement and a 50% deposit based on rental reduction or initial specs.
- 10 days prior to your move-in day, we require final payment in full for all functions based on your contracted attendance

A guarantee payment is required for all functions. Deposits are non-refundable and non-transferable. We request that you have a credit card on file for any additions to your orders. You may finalize your account by company check, cashier's check, Visa, MasterCard, American Express or cash. The Catering Sales Department will process/pre-approve your credit card for any estimated balance due five (5) business days prior to your function date.

Amounts in excess of \$10,000 must have actual credit card present to be swiped and will be subject to a 3% convenience fee.

Any on-site adjustments, additions or replenishments of contracted catering services will be reflected in a final invoice, payable upon conclusion of the event.

Checks are payable to: SMG Food and Beverage at 300 E. Ocean Boulevard, Long Beach, CA 90802. Premier shall not be required to provide any services hereunder, nor will the Caterer be required to commence planning for the event(s), unless and until the Customer has returned a signed copy of the agreement and paid the deposit to the Caterer.

#### SERVICE LOCATIONS AT OUR FACILITY

Premier is delighted to be able to offer our food and beverage services in any of the meeting rooms, ballrooms, exhibit halls or lobby spaces of the Long Beach Convention & Entertainment Center. Please keep in mind the services ordered for specific locations are to be served and consumed in those locations. Services may not be moved to an additional location after the start time listed on your sales order. Services requested for additional locations will be placed on a new sales order at the price point of the initial order.

The Caterer reserves the right to approve, and make changes to, all floor plans and layouts of all events areas where the Caterer's services are to be provided, as deemed necessary in Caterer's sole discretion, to enable the safe and efficient conduct of Caterer's services by Caterer's staff.

Without limiting the generality of the foregoing, Caterer reserves the right to specify the locations and configuration of all décor, tables, buffets, and service stations, as well as staging and breakdown areas. Customer's displays, exhibits, and decorations must comply with the building code and fire ordinances of the Long Beach Fire department.

#### SERVICE CHARGE, ADMINISTRATIVE AND SALES TAX

A 6% Administrative Fee, 16% service charge and a 10.25% sales tax will be applied to all food & beverage and additional charges. Please note that the Service Charge is taxable (per California State Board of Equalization Regulation #1603). All prices and items are subject to change.

#### LATE FEES

Initial orders not received within 10 business days of your event will be subject to 15% surcharge. Customer shall pay interest at the rate of 1.5% per month (or, if lower, the maximum legal rate) on all payments not made within thirty (30) days following the date such payments are due, which interest shall accrue from the date due until the date of payment. Further, Customer agrees to be liable for all costs and expenses incurred by the Caterer to collect past due payments.
