Catering Information

Event Planning Timeline
There are some important decisions for you to consider regarding the catering and execution of your event. Your Catering Sales Manager is ready to assist you in making these decisions a seamless part of your planning. The timeline below will help you in creating the environment and presentation needed for a successful event.

• 90 days prior to your event (or before) we request an initial order. At this time you will be issued a catering agreement and it will be due 10 business days from issue date along with a required deposit.
• 45 days prior to your event you must provide catering locations, approximate numbers of guests and finalized menu choices.
• 10 business days prior to your event we require guest guarantee minimums along with any remaining balance. Once minimums are stated, they can increase, however they cannot be reduced.
• 3 business days prior to your event the final guest count is due.

GUARANTEES
When providing your initial order, a minimum estimated attendance guarantee must be communicated to the Catering Sales Department. Contract minimums and full payment prior to your event will be based on the minimum estimated attendance. When changes are determined on a per person basis, a “final guaranteed attendance” must be given to Premier no later than 12:00 PM (PST) for each event order based on the following schedule*:

• Events up to 400 people require the final guarantee three (3) business days prior to the first event.
• Events between 401-2,000 people require the final guarantee five (5) business days prior to the first event.
• Events over 2,000 people require the final guarantee seven (7) business days prior to the event.

This figure is the number of guests for which you guarantee to pay and is not subject to reduction. We will be ready to prepare 5% over your Guaranteed Attendance up to 1,000 guests (50 meals). SMG Food and Beverage will make every attempt to accommodate increases in your count after the final guarantee is due, however, any increase exceeding 10% of the final guarantee will be subject to a 10% surcharge. If the count increases within the final guarantee timeline, the 5% will no longer apply. Once minimums are stated on initial sales orders and signed, they cannot be reduced.

The Guaranteed Attendance (a) shall not exceed the maximum capacity of the areas within the Facility in which the Event(s) will be held, and (b) shall not decrease by more than 25% (or more than 1,000 people, whichever is lower) of the estimated attendance specified on the catering Order(s). SMG Food and Beverage shall be entitled to charge and collect from the Customer any reasonable costs incurred by the Caterer in the event the Guaranteed Attendance figure provided by the Customer is not within the limits stated in this paragraph.
