THE PEACE PLAN is the heartbeat of missions at Saddleback Church. This strategy guides how we serve others around the world as local churches bring lasting change to their communities. It's "ordinary people, empowered by God, making a difference together, wherever they are." PEACE is how we respond to what we call the "five global giants": spiritual emptiness, self-serving leadership, poverty, disease, and illiteracy.

We counter these five giants through the letters of PEACE:

- P**lant churches that promote reconciliation
- E**quip servant leaders
- A**ssist the poor
- C**are for the sick
- E**ducate the next generation
