Dear Sir:

Your letter addressed to Henry Devereux has been found in his correspondence and is being answered by me as unfortunately he has had to withdraw as he did not seem able to take care of the work of Chairman of the Measurement Committee.

I am writing to ask when you sold your Star Boat #124 to as when making out a duplicate a new owner undoubtedly would like to have his name appear on it. If he plans to change the name of the boat, likely he also would like this to appear. If you will send in this information, I will be only too pleased to send the new certificate immediately.

Very truly yours,

HCH:MR
