Dear Sir

I am moored at Gibson Island and have qualified for the second district Green Star event to be held there Sept 11 and 12. When registering my boat, I am supposed to produce a measurement certificate, which I do not have.

#468

My boat is Saifiski? built by Leonard Johnson in 1928. To the best of my knowledge there have been no structural changes made in her. Not having ever seen a measurement certificate I may add that it belongs to the Chesapeake Bay Fleet and not Western Shore and carried by the Star Reg.

Hope you can find me up in time for this series. Thank you.
Fred Mullan.
