Measurement Committee,
International Star Class Yacht Racing Ass'n.
c/o Mr. W. Whitney Stueck
Ivoryton, Connecticut.

Dear Mr. Stueck:

I have been informed by Mr. William H. Harless, Hart Road, East Moriches, L. I., N. Y., that I must make all arrangements for getting a measurement certificate for my Star #520, now sailing under the name of "Luke". Since I contemplate the sale of this boat in the near future I should appreciate your advising me as to what steps I must take.

The only alterations which have been made to my knowledge since the last measurement certificate was granted for this Star were as follows:

Two years ago I had to replace a portion of the keelson due to a severe check in the same. At the same time the stem was repaired where a small portion thereof had been chipped off.

I am sure that neither of these repairs or alterations were serious enough to change any of the necessary measurements.

I enclose a self addressed stamped envelope for your convenience in advising me as to what procedure I should follow to obtain a measurement certificate.

Yours very truly,

Enclosure
