Dear Mr. Ketcham,

Quite recently I purchased Star #1477
from Henry Minor, Jr. of Batavia, New
York. At that time she was the "Vag-
abondia" and was enrolled in the
Canandaigua Lake Fleet.

However, after the sale was concluded,
I discovered that the former owner was
unable to assign to me the measurement
certificate for the boat since that had
been lost.

I am therefore requesting that a new
copy of the measurement certificate be
issued for this boat and sent to me. She
has been re-named "Mischief III" and is
enrolled in the Lake Ontario American
Fleet. I am enclosing a check for one
(1) dollar for the new certificate.

Thanking you for your help in this
matter, I am,

Sincerely yours,

Donald A. Dailey, Jr.

new mast & rig is considered as a
"structural change"?*

Dear Mr. Ketcham,

I know this is pulling one out of the bottom of the bag, but if it can be straightened out without any trouble, I would appreciate it. If not, please use the dollar enclosed. I have known the facts for some time, but this is the first time I have tried to do anything about it.

On July the 25th, 1946 I made out two checks payable to the ISCYRA, one for \$10 to cover a set of blueprints, and one for \$1 to cover the cost of a copy of my measurement certificate. Both were endorsed by the organization and cleared. I received the prints directly from you on August 1st, but have never received the measurement certificate, and doubt that it was ever sent.

My yacht is #1477, formerly "Vagabondia" of Canandaigua Lake and now "Mischief III" of the Lake Ontario American Fleet. When I purchased the boat from Bud Minor the original certificate was not available. Although I know that a certificate for this yacht has been issued, I have never had one since I have had the yacht.

I would appreciate your assistance in this matter.

Sincerely yours,

Donald A. Dailey, Jr.
