Mr. Whitney Stueck
Chairman, Measurement Committee
International Star Class Yacht Racing Association
51 East 42nd Street
New York, New York

Dear Mr. Stueck:

During this past winter, I have moved the keel on Star #2068, North Star, FORWARD, a distance of $2\frac{1}{2}$ inches. The existing holes in the hull were used; the flange of the keel was redrilled.

The old dimension "E" was 7' 0",; thus the new dimension is 7' $2\frac{1}{2}$ ". Please incorporate this change on my measurement certificate.

Sincerely yours,

John C. Snedeker

I certify that I have examined Star #2068 and have found the above measurement to be correct, as determined by measuring the distance between the old and the new holes in the flange of the keel.
