—CONDITIONS UNDER WHICH CERTIFICATE IS ISSUED—

1. This Certificate is not valid unless it bears the inspection stamp of the I. S. C. Y. R. A. and is signed by the Chairman of the International Measurement Committee. Dear Ed: -

This is to certify that no structural changes or alterations have been made to the hull of STAR #2113, formerly ISCYRA VII which I sold yesterday to Mr. Lyons of Bayside, N. Y.

Unfortunately, I sent the Certificate up to Tom and Cebern Lee early in the year when they were collecting innumerable Certificates for the purpose of producing a would-be super STAR, and I cannot get hold of either of them this week as they are up at the 12th District Championship, probably being sadly disillusioned.

Am sending this today in order to save time and will give you a ring tomorrow as to just how Mr. Lyons wants the new Certificate made out. I am not sure whether he wants the boat recorded in his name or that of his son nor am I too sure of the new name of the boat. He too is out of town so I cannot reach him today. Bayside is within the territory of the East River Fleet if the Fleet appears on the Certificate, I do not remember.

Yours very truly,

GEORGE W. ELDER
