Dear Sir:

COPY
Thank you for your letter of August fourth. I regret very much the fact that we have not forwarded a keel certificate before this, and the only thing I can give you as an excuse is the fact that during this vacation period the information was not carried on properly. I am enclosing a keel weight certificate now direct from the foundry which I am sure will be satisfactory with the chief measurer of the class.

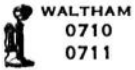

Very truly yours,

Daniel S. Morrell
