Star No. 3004

Dear Mr. Knight;

Herewith I am returning one copy of the measurement report of your Star No. 3004. I regret that the boat cannot be approved at this time. However, the difficulties are all very minor, and possibly a recheck by the measurer will clear all this up for us.

The difficulties are as follows:

- (a) Dimension "C" is $1/16$ " too small. This is not enough to prevent approval alone, but it should be re-checked while the boat is hauled for re-measuring of "E".
- (b) Dimension "E" is $3/16$ " too small. This is important to correct.

With best wishes,

Sincerely,

HENRY M. DEVEREUX
Chairman
International Measurement Committee
