2. This Certificate shall be binding upon all members, Star Fleets, Clubs, or organizations conducting races for the Star Class as such. Mr. Bernard Tool

Dear Mr. Tool:

The four Certificates covering Lippincott boats recently sent in by you have been checked. Three are O.K. but 3313 built for Fred Bloom seems to have an obvious clerical mistake in the measurement of half breadths Station 6 at the chine. You have that measurement as  $15 \frac{3}{4}$  whereas  $26 \frac{3}{8}$  is the minimum. Such an error indicates to me a mistake in transposition of your measuring figures as this just could not be. All the other Lippincott boats recently measured show this figure as  $26 \frac{1}{2}$  or thereabouts. If new figures is inserted, please cross the old one out, put the new one underneath and sign ~~sign~~ opposite it on the certificate returned herewith.

Sincerely yours,

PAUL H. SMART  
Executive President
