

OFFICIAL STAR CLASS MEASUREMENT CERTIFICATE

Sec. C.

—INSTRUCTION TO CERTIFIED MEASURERS—

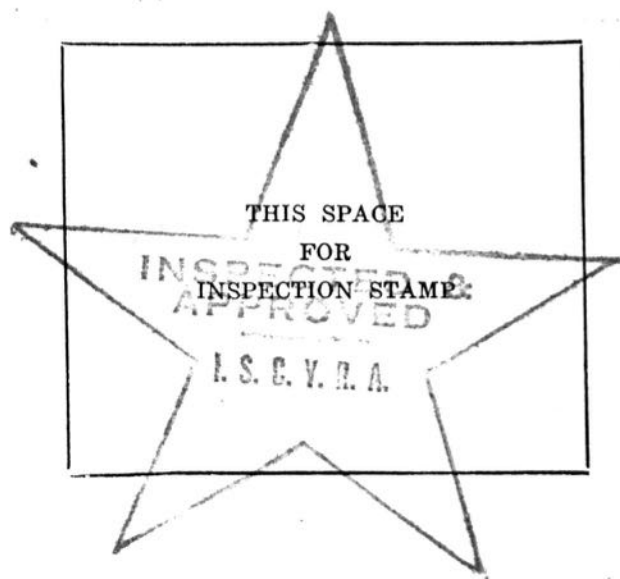

1. The duties of a Certified Measurer are confined to measuring yachts and reporting facts. He has no authority to grant or reject certificates or interpret rules. Complete instructions as to how to measure will be sent to him by the Measuring Committee after his appointment.
2. This Form must be made out by the Certified Measurer IN DUPLICATE. He must answer all questions in Sect. A, and fill in all dimensions called for. Then file **both** copies with Measurement Committee.
3. Sails are measured before sanctioned championships, at other times the Fleet is responsible for checking them. Certified Measurers, if authorized by a Fleet, can approve or reject sails.
4. Certified Measurers are entitled to a reasonable fee for measuring, but the Association is not responsible for its payment, and Certified Measurers are advised to collect their fee before filing this Form.
5. A Certified Measurer cannot measure a yacht in which he owns an interest except under duly appointed and authorized supervision.

SEC. D.

—CONDITIONS UNDER WHICH CERTIFICATE IS ISSUED—

1. This Certificate is not valid unless it bear the inspection stamp of the I. S. C. Y. R. A. and is signed by the Chairman of the International Measurement Committee. It shall be automatically revoked if any structural alterations are made or if not properly endorsed over to a new owner by former owner, or may be revoked at any time by order of the International Measurement Committee or the Governing Committee of the International Star Class Yacht Racing Association.
2. This Certificate shall be binding upon all members, Star Fleets, Clubs, or organizations conducting races for the Star Class as such. Sails excepted, the holder of this Certificate shall not be subject to protest on measurements unless an order to remeasure is obtained from the International Measurement or Governing Committee, after the protesting party has submitted evidence to show that there are reasonable grounds to suspect subsequent alterations or other justifiable cause.
3. Copies of this Certificate may be obtained from the International Measurement Committee for \$1.00. A new Certificate may be obtained after all renewal affidavits on Page 2 are exhausted without charge. A duplicate of every Certificate granted will be kept on file by the International Measurement Committee and a list of newly granted Certificates will be published from time to time.

NOTE—This space is reserved for International Measurement Committee use.

The International Measurement Committee, having examined all facts and figures certified to herein, finds that the yacht herein described conforms with the plans and specifications of the Star Class within the limitations of the measuring rules, and therefore, grants this Certificate to the said yacht subject to the conditions above set forth for so long as the owner or owners of the said yacht are members of the International Star Class Yacht Racing Association.

Signed John S. Tuthill
Chairman International Measurement Committee.

OFFICIAL STAR CLASS MEASUREMENT CERTIFICATE

Sec. A.

DESCRIPTION OF MEASURED YACHT

IMPORTANT — The following information must be supplied by the Certified Measurer who actually measured the yacht. The yacht's number, its only means of identification, must be cut or burned in a least 3" figures into upper side of keelson, otherwise Measurer is instructed NOT TO MEASURE the yacht.

1. YACHT'S NUMBER? 3365
2. Was this number cut or burned into keelson as required above? Yes
3. Yacht's name "....." 4. Year built? 1953
5. By whom built? JOAO DOS SANTOS BRITES
6. Owner's name? JEAN CARTIER
7. Address 35 RUE RAGET - CASABLANCA
8. Fleet 9. Remarks

CERTIFIED MEASURER'S AFFIDAVIT

I hereby certify under oath that I personally measured the yacht herein described on the 10 day of MARCH 1953 according to instructions issued by the International Measurement Committee and that I have correctly and truthfully recorded the yacht's dimensions on the reverse side of this form and that the above information is true and correct to the best of my knowledge and belief.

Date signed and filed 20 MARCH 1953 Signed [Signature]
Certified Star Measurer

NOTE—If there is anything about the yacht's construction or otherwise which you believe contrary to rules or not according to standard, report this in a letter attached to this form and describe in detail with sketch if needed.

WARNING

If structural alteration or repairs are made (Except to sails) the yacht must be remeasured. If in doubt, obtain ruling from International Measurement Committee. This Certificate becomes void unless each owner upon the sale or transfer of the yacht signs the Renewal Affidavit below.

Sec. B.

RENEWAL OF AFFIDAVITS OF NO ALTERATIONS

SOLD OR TRANSFERRED TO..... of.....

I hereby certify under oath that no alterations have been made to the said yacht since original date of measurement, unless a rider covering remeasurement is affixed to this Certificate.

Date..... Signed former owner.

SOLD OR TRANSFERRED TO..... of.....

I hereby certify under oath that no alterations have been made to the said yacht since I became the owner on date above shown, unless a rider covering remeasurement is affixed to this Certificate.

Date..... Signed former owner.

SOLD OR TRANSFERRED TO..... of.....

I hereby certify under oath that no alterations have been made to the said yacht since I became the owner on date above shown, unless a rider covering remeasurement is affixed to this Certificate.

Date..... Signed former owner.

NOTE—After last renewal space if filled, apply for new certificate.

Mr. Jean Gautier
35 Rue Raget
Casablanca, Morocco

Dear Mr. ~~Gautier~~:

Yacht #3365 is approved EXCEPT that the Measurement Committee requires the side height measurement at (1) and half breadths deck and chine at (1).

Certificate will be forwarded upon receipt of these measurements. Boat is all right to race for two months only.

Sincerely yours,

JOHN S. TITTERINGTON, Chairman
International Measurement Committee

JST/eg

P.S. - We are enclosing cable refund voucher.

I. S. C. Y. R. A.

Report from International Measurement Committee

Star No. 3365

Owner _____

Builder _____

Measurer _____

The Measurement Certificate for this boat cannot be approved due to the following points which do not comply with the Specifications:

Let the only -
Yacht # 3365 is approved except
that the measurement committee requires
the side to be measured at D and
half breadth at D and
Certificate will be forwarded upon
receipt of the measurement. Boat is
all right to
have for

The following action is suggested as indicated by check marks:

- The points in question must be remeasured by a Certified Measurer and the results submitted to the Measurement Committee. *two months*
- The points in question must be altered to conform to the Specifications and then remeasured by a Certified Measurer and submitted to the Measurement Committee. *only*
- The boat must be rebuilt to conform to the Specifications and then completely remeasured by a Certified Measurer. *just*
- The remeasurement of the points in question shows that this boat does not conform to the Specifications, so that correction is required as indicated above.
- The points in question must be corrected and a letter submitted to the Measurement Committee stating how, when and by whom the corrections were made. These points are subject to remeasurement at all sanctioned events and by local regatta committees.
- The Certificates submitted are unsatisfactory for the reasons noted, and complete remeasurement is required.

KATIA II

Cher Monsieur,

Vous me demandiez dans votre lettre du
12 Août de vous envoyer les mesures qui manquaient
à mon certificat de jauge.

J'ai vu, lors des Championnats du Monde
à CASCAIS, le jaugeur de mon bateau qui m'a dit vous
les avoir envoyées, mais n'ayant rien reçu de votre
part, je pense qu'il ne l'a pas fait.

J'ai, en conséquence, demandé à Monsieur
Michel LECALLACH, jaugeur officiel du STAR CLASS au
Maroc, de bien vouloir me prendre les mesures que vous
voudrez bien trouver ci-dessous, exprimées en pouces:

- Side height measurement at I	:	14	1/16
- Half breadths deck at I	:	7	7/16
- Half breadths chine at I	:	2	5/8

Vous voudrez bien m'envoyer mon certi-
ficat de jauge dès que possible.

Avec mes remerciements anticipés,
Je vous prie de croire, Cher Monsieur,
à mes sentiments les meilleurs. / *Michel Gautier*
