The Measurement Committee
I.S.B.C.R.A.

Dear Sirs,

I have remeasured the stern half-breadth of Messrs Whally & Whites yacht no 3673 & found that the measurement was as listed in the certificate, viz: $20\frac{1}{16}$

COPY
The excess has been rectified in my presence, by removing fastenings and running a saw-cut between planks & transom on both sides of the hull.

The half breadth of the stern should now be amended to read $19\frac{15}{16}$ - (minus)

I remain

Yours Sincerely
B.A. Russell
