Subject: Measurement Certificate of  
Star #3811.

Gentlemen:

*12 sent forms 1/9/57*

This will acknowledge receipt of your report on the subject yacht, dated January 9, 1957. You asked me to submit a second copy of the Certificate which, as I explained in my letter of January 2nd, I am unable to do because I have no more Measurement Certificate forms. If a supply of these has been sent to me, please ignore this second request.

For your information, the side height at station 1 has been planed down to measure 14-5/8". The half breadth at station 6 has been re-measured and is 33-9/16" instead of 33-1/16. Dimension P, the half breadth of the cockpit now measures 12" after alteration by the Owner.

*OK*

My new address is P.O. Box #3560. I would appreciate having all future communications addressed in this manner as well as having the log changed to show this address instead of 7821 Alakea Street.

Very truly yours,

*Frank N. Rothwell*
