

OFFICIAL STAR CLASS MEASUREMENT CERTIFICATE**Sec. A. DESCRIPTION OF MEASURED YACHT**

IMPORTANT—The following information must be supplied by the Certified Measurer who actually measured the yacht. The yacht's number, its only means of identification, must be cut or burned in at least 3" figures into upper side of keelson, otherwise Measurer is instructed NOT TO MEASURE the yacht.

1. YACHT'S NUMBER? 39222. Was this number cut or burned into keelson as required above? yes.3. Yacht's name "Maryke" 4. Year built 19575. By whom built? OWNERS6. Owner's Name H & M. W. Visser7. Address 127 Copeland Rd. Beecroft. N.S.W. Australia8. Fleet Sydney 9. Remarks**CERTIFIED MEASURER'S AFFIDAVIT**

I hereby certify under oath that I personally measured the yacht herein described on the second day of December, 1957, according to instructions issued by the International Measurement Committee and that I have correctly and truthfully recorded the yacht's dimensions on the reverse side of this form and that the above information is true and correct to the best of my knowledge and belief.

Date signed and filed 2-12-57 Signed B. A. Russell
Certified Star Measurer

NOTE—If there is anything about the yacht's construction or otherwise which you believe contrary to rules or not according to standard, report this in a letter attached to this form and describe in detail with sketch if needed.

WARNING

If structural alteration or repairs are made (Except to sails) the yacht must be remeasured. If in doubt, obtain ruling from International Measurement Committee. This Certificate becomes void unless owner upon the sale or transfer of the yacht signs the Renewal Affidavit below.

AFFIDAVIT OF NO ALTERATIONS

SOLD OR TRANSFERRED TO _____ of _____

I hereby certify under oath that no alterations have been made to the said yacht since original date of measurement, unless a rider covering remeasurement is affixed to this Certificate.

Date _____ Signed _____ former owner.

OFFICIAL STAR CLASS MEASUREMENT CERTIFICATE**Sec. C. —INSTRUCTION TO CERTIFIED MEASURERS—**

1. The duties of a Certified Measurer are confined to measuring yachts and reporting facts. He has no authority to grant or reject certificates or interpret rules. Complete instructions as to how to measure will be sent to him by the International Measuring Committee after his appointment.
2. This Form must be made out by the Certified Measurer IN DUPLICATE. He must answer all questions in Sect. A, and fill in all dimensions called for. Then file **both** copies with International Measurement Committee.
3. Sails are measured before sanctioned championships, at other times the Fleet is responsible for checking them. Certified Measurers, if authorized by a Fleet, can approve or reject sails.
4. Certified Measurers are entitled to a reasonable fee for measuring, but the Association is not responsible for its payment, and Certified Measurers are advised to collect their fee before filing this Form.
5. A Certified Measurer cannot measure a yacht in which he owns an interest except under duly appointed and authorized supervision.

SEC. D. —CONDITIONS UNDER WHICH CERTIFICATE OR RENEWAL IS ISSUED—

1. This Certificate is not valid unless it bears the inspection stamp of the I. S. C. Y. R. A. and is signed by the Chairman of the International Measurement Committee. It shall be automatically revoked if any structural alterations are made or if not properly endorsed over to a new owner by former owner, or may be revoked at any time by order of the International Measurement Committee or the Governing Committee of the International Star Class Yacht Racing Association.
2. This Certificate shall be binding upon all members, Star Fleets, Clubs, or organizations conducting races for the Star Class as such. The holder of this Certificate shall not be subject to protest on hull measurements unless an order to remeasure is obtained from the International Race Committee, International Measurement Committee, or Governing Committee, or unless the protesting party has submitted evidence to show there are reasonable grounds to suspect subsequent alterations or other justifiable causes. See By-Laws, Article VII.
3. This Certificate should be renewed in name of new owner. For renewal, send this Certificate and \$1.00 to International Measurement Committee, with notation as to change of boat's name, if any.

4. WARNING

Spars, position of keel, or anything else that is not an intergral part of the hull, can easily be changed and should not be depended upon. These, as reported on original certificate, serve also as a protection to the purchaser of a new boat, but are subject to remeasurement as noted above.

NOTE—This space is reserved for International Measurement Committee use.

The International Measurement Committee, having examined all facts and figures certified to herein, finds that the yacht herein described conforms with the plans and specifications of the Star Class within the limitations of the measuring rules, and therefore, grants this Certificate to the said yacht subject to the conditions above set forth for so long as the owner or owners of the said yacht are members of the International Star Class Yacht Racing Association.

Signed John D. Titling
Chairman International Measurement Committee.Date Feb 13 1958

Dear Mr Russell:

Immediately upon receipt of your letter about the Visser Rudder we referred it to the Measurement Committee and asked for a prompt reply however it just came to us today and we have cabled you as follows.

" AGREE VISSER RUDDER SHAPE WRONG" I.S.C.Y.R.A.

We agree entirely with your interpretation that such a rudder violates article 18 paragraph 1 of specification being neither conforming to design or shape as shown in the plans.

It is a very simple matter to correct and we have required similar rudders to be corrected and will continue to do so wherever they are found.

Sincerely yours

Paul H. Smart

Dec. 17th 1957.

The Chairman
Measurement Committee
I.S.C. of R.A.
Dear Sir,

Mr M. Bissel the co-owner of Star Yacht
No. 3922, has asked me to check the chine
height of station 6.

This I have done & the correct figure
should read 8 $\frac{1}{16}$. The figure I entered on the
certificate was obviously my error.

Mr Litterington, I should ask for
your forbearance over my mistakes over
the last couple of boats but, if it will
give some explanation, earlier in the
year I went down with double pneumonia
& had a pretty grim time, coming out of
with one collapsed lung. Even now I am not
100% & have had to take a rest from yachting.
But when people come to me to have their
boats measured I feel I should do them & help
to establish the Star class on a firm footing in
Sydney.

Thanking you

I remain
Yours sincerely - B.A. Russell
