 IS KEEL WEIGHT CERT. ATTACHED?

Budapest 5.th.April,1960.

Dear Mr.Titterington!

Thank you for sending the measurement for N° 2663.

Concerning"Háry János" I am sorry I surely made a mistake in measuring it.

The explanation is that I gave the measurement paper to the owner with instructions to post it together with number application form. We have only a few boats and the territory is limited and closed so I can watch every boat and there is no possibility of any incorrectness.

Nevertheless, I learned a lot from this case and will from now on keep strictly to regulations and not measure any boat that hasn't got already a racing N° which is marked on the keelson: Please excuse me for that fault.

Unfortunately, before receiving your letter the Hungarian Yacht Racing Association had already dispatched to your address the Measurement Certificate of two boats the new "Olympia I. and II." without yacht-number and aht the same time the Form R-1.paper.

Yours sincerely
