Attention: Mr. John S. Titterington

Dear Sir,

Enclosed we send you the Official Measurement Certificates
of two yachts of Star Class to be approved by you. Following
must be mentioned about the yachts:

Star No. 4534

Side flatnes do not quite meet the requirements on Star board
side of stern; there is concave 0-0-1. The yacht has been
made of cedar and was finished as early as in 1963, built
by the owner, so that we suggest that you would approve it.

Star No. 4535

The keel of this yacht has been taken from the Star boat No.
1815, which has been scraped. Enclosed you will find the Mea-
surement Certificate of this yacht, too.

We are looking forward to your approval.

Faithfully yours,
