Dear Mr. Titterington:

As requested in your letter of August 23, the dimension from Point "B" to job stay intersection is: 22'9". This should complete all of the necessary information necessary for my Measurement Certificate, Boat #4579.

As Fleet Captain, the West San Francisco Bay Fleet, I have taken measurements which you requested for Boat #4556; owner: Jules Voerge. The requested measurements are as follows:

Mast from Point "B", 31'9"
Length of Boom, 14'7"
Job Stay from Point "B", 22'9"
Dimension "A", 7'8½"

After you have approved the two Measurement Certificates for the above two yachts, I would appreciate receiving both Measurement Certificates. Upon receipt of Yacht No. 4556's certificate, I will forward it to Mr. Voerge.

Very truly yours,

Donald J. Trask
