Re: Star Yacht 4557

Dear Mr. Hall:

We require one further dimension for the spars for your yacht, i.e. "Jib Stay from B." (The height up the mast where the jib stay intersects the mast). Until we receive this we cannot award the measurement certificate to you.

Because we understand that you have already sailed in the North American we fear you may neglect this. Please get this done at once. Failure to do so by September 30 will cause us to remove your yacht from the eligible list. To reinstate the yacht we will then call for a complete remeasurement at your expense.

Very truly yours,

JOHN S. TITTERINTON  
Chairman, International  
Measurement Committee
