Hello, I am currently restoring two boats #4583 and #4648. I was wondering if you could please provide me with any historical information regarding the two boats. 4583 my father and I've owned since the late nineties but she's been in storage for a while. I'm hoping to launch this summer as the boat is in decent shape. The other boat is in rough shape and is going to be a complete restoration. That one will take a while. Just wanted to let you know their whereabouts. I'm in northern NY near Lake Placid. I'm going to touch base with the northern Lake George fleet this summer. Do you have any information on the history of Star boats on Lake Champlain? Thanks Jake Burns

2. This Certificate shall be binding upon all members, Star Fleets, Clubs, or organizations conducting races for the Star Class as such.
