2. This Certificate shall be binding upon all members, Star Fleets, Clubs, or organizations conducting races for the Star Class as such. The holder of this Certificate shall not be subject to protest on hull measurements unless an order to remeasure is obtained from the International Race Committee, International Measurement Committee, or Governing Committee, or unless the protesting party has submitted evidence to show there are reasonable grounds to suspect subsequent alterations or other justifiable causes. Dear Mr. Portier:

In receiving back from the Measurement Committee the approved certificate for the Star of Ewald Vorberg, we have noticed the following.

According to our record of the yellow R-1 form which we received from you, the number 4772 was awarded. However the Certificate reads 4771. Would you please check your pink form on award of number and advise us as to whether the mistake is ours or yours?

In any case, the Certificate has been approved, and will be sent to the owner as soon as we can straighten this out.

Sorry to bother you with this minor detail.

Sincerely,

Korresponding Secretary
