Mr. John S. Titterington, Chairman

I. S. C. Y. R. A.

Dear Mr. Titterington:

I am enclosing herewith the certified measurements of Star Yacht No. 4782, named "Ark IV", built in 1963 by Mr. Douglas G. Drennan. Mr. Drennan is the measurer for this area and in accordance with your letter to him dated November 14, 1961, Mr. Miles P. Wynn and I took these measurements. At that time Mr. Wynn was Fleet Captain and I was Fleet Secretary. I am now Fleet Captain. I might add that both Miles and I are capable of measuring a Star.

I would like to apologize for not sending this to you before now and frankly, I did not realize that I did not send it to you until I received Mr. Smart's letter to the effect that you did not have this measurement information. It was hidden in literally hundreds of papers on the Spring Series.

With kindest personal regards, I remain,

Sincerely yours,

(Signed) Sidney W. Provensal, Jr.
