Dear Mrs Ethel Horton,

Due to the coming Championship, that you have heard of, everything here is work and optimism.

Boat are either being painted or repaired; and and everybody is working hard to make this event a memorable one.

Yet, one problem is to be solved by mail, that is Mr Terragno's new boat measurement certificate. Even when he tried he couldn't get it measured until yesterday.

I have now all the papers to send to you. Once anything is resolved, I ask you once again to send us the answer by the same way you have already used. Please, adress the envelope to me so in Aerolinea Argentinas will know what to do with your news.

Sincerely yours

Hernán Llosa
