CONDITIONS UNDER WHICH CERTIFICATE OR RENEWAL IS ISSUED

1. This Certificate is not valid unless it bears the inspection stamp of the I. S. C. Y. R. A. and is signed by the Chairman of the International Measurement Committee. 2. This Certificate shall be binding upon all members, Star Fleets, Clubs, or organizations conducting races for the Star Class as such. The holder of this Certificate shall not be subject to protest on hull measurements unless an order to remeasure is obtained from the International Race Committee, International Measurement Committee, or Governing Committee, or unless the protesting party has submitted evidence to show there are reasonable grounds to suspect subsequent alterations or other justifiable causes. See By-Laws, Article VII.

Dear Doris

A month ago I moved to the above address and a member of The Maple Bay Yacht Club, Vic Palmer, asked me if I could help him find the number of the Star boat he owned in the '50s. He is building a half model of it and needs the number for a brass plaque.

Unfortunately I must have lost the Logs for the years he was a member of the clan.

He belonged to the English Bay Fleet. Would you be able to locate this information?

Incidentally, I brought the three older boats I own (4941, 5049 & 5548)

here. I have sold 4941 + 5049 to
Maple Bay Yacht Club members*. We now
have four boats at this club and have
had a Star Clan in the annual Maple
Bay Regatta on Labour Day! We only
had three Stars, but this constituted a
clan! We have a crane. It was
great to see Stars one more active
on Vancouver Island, British Columbia.

With many thanks!

Very truly yours,

John A. Barltrop
(JOHN A. BARLTROP)

P.S. The above not intended
for Starlights. Perhaps we
will have enough boats for
a fleet soon! That would
be worthy of mention!!
