Date Measured: 25.7.85

Date Issued: 10.8.85

Expiration Date: 26.9.85

(45 days after Date Issued)

I have measured Star # 7083 and all measurements appear to be within acceptable tolerances. However, while final examination and certification is being processed this letter may serve as a temporary certification for a period of 45 days. I see no apparent discrepancies which need resolution before final issuance of a Measurement Certificate.
