

TO MEASURERS:

1. The duties of a certified measurer are confined to measuring yachts and reporting facts. He has no authority to grant or reject certificates or interpret rules. Complete instructions will be sent to him by the International Measurement Committee after his appointment.
2. This form must be fully completed by the certified measurer in duplicate. Both copies are to be sent to the ISCYRA Central Office.
3. Declarations must be signed as required.
4. Certified measurers are entitled to a reasonable fee for measuring, but the Association is not responsible for its payment.
5. A certified measurer may not measure a yacht in which he owns an interest except as provided by ISCYRA Rule 33.2

CONDITIONS UNDER WHICH CERTIFICATE IS ISSUED:

1. This certificate is not valid unless it bears the stamp of the ISCYRA and is signed by the chairman of the International Measurement Committee. This certificate may be revoked at any time by order of the International Measurement Committee or the International Governing Committee. It is invalid if any structural changes are made which affect the yacht's dimensions or its compliance with ISCYRA Rules.
2. This certificate shall be binding on all members, fleets, clubs, or organizations conducting races for the Star Class.
3. This certificate shall be replaced when the yacht is altered or sold. For replacement of the certificate contact the ISCYRA Central Office.
4. ISCYRA Rule 33.3 limits re-measurement of a yacht having a valid certificate.

The International Measurement Committee finds that the yacht described herein conforms with the plans and specifications of the Star Class and therefore grants this certificate to the yacht owner, subject to the conditions set forth above, so long as the owner or owners of the yacht are members of the ISCYRA.

Dear Sir,

Thank you for your letter of 29th February, 1996. I did in fact purchase the Star from Peter Watson. I do not have a copy of the measurement certificate. Presumably no measurement certificate was ever done. Over the winter I will have the boat measured.

I also own "Fiona" No. 6441 and my new Star No. 7831. My address for correspondence is 222A Marrickville Road, Marrickville NSW. The address on this letterhead is my home address.

Yours faithfully,

John D. Hancock,

Dear John,

I have received your letter and your buoyancy test certificate for boat 7292. I have several questions for you.

Did you buy 7292 from Peter Watson or are you a part owner of 7292 with Peter? Do you have a copy of the measurement certificate for this boat? If so, could you please send us a copy? The only thing we have on file for 7292 is a letter written on 1 November 1990 to Michael Hill asking for a copy of the measurement certificate. (A copy of this letter is enclosed.) According to the files, Michael never replied to this letter.

Also, the address on your stationery is different from the one we have for you in the computer. The one that we have been sending your Starlights to is 222A Marrickville Road, Marrickville NSW 2204, Australia. Should I change this address to your Fisher Street address? Please let me know the answers to all of the above questions so that I may correct our records.

Thank you and best regards,
