Dear Karsten,

On your membership form, you listed that you also own Star 7311, as well as Star 5670. I just received a signed buoyancy test certificate for Star 7311 that lists Kai Krüger (in Germany) as the owner. I have been advised by Christoph Thomsen that he sold Star 7311 to Kai Krüger.

Did you give us an incorrect boat number for your second boat? Please let me know so that I may correct my records. Thank you.

Kindest regards,

I have measured Star # 7311 and all measurements appear to be within acceptable tolerances. However, while final examination and certification is being processed this letter may serve as a temporary certification for a period of 45 days. I see no apparent discrepancies which need resolution before final issuance of a Measurement Certificate.
