Hello Ingvar,

I am sorry, but my scanner is not working as I need to get the printer replaced. I am faxing the certificates to the fax number below, in case someone there can scan them and send them to you. Otherwise, you will need to send me the fax number for where you will be. Since I am in the middle of verifying entries for the European Championship and also preparing for the annual meeting, I have been short of time for getting everything else done.

Kindest regards,

Diane C. Dorr
