TO MEASURERS:

1. The duties of a certified measurer are confined to measuring yachts and reporting facts. He has no authority to grant or reject certificates or interpret rules. Complete instructions will be sent to him by the International Measurement Committee after his appointment.
2. This form must be fully completed by the certified measurer in duplicate. Both copies are to be sent to the ISCYRA Central Office.
3. Declarations must be signed as required.
4. Certified measurers are entitled to a reasonable fee for measuring, but the Association is not responsible for its payment.
5. A certified measurer may not measure a yacht in which he owns an interest except as provided by ISCYRA Rule 33.2

CONDITIONS UNDER WHICH CERTIFICATE IS ISSUED:

1. This certificate is not valid unless it bears the stamp of the ISCYRA and is signed by the chairman of the International Measurement Committee. This certificate may be revoked at any time by order of the International Measurement Committee or the International Governing Committee. It is invalid if any structural changes are made which affect the yacht's dimensions or its compliance with ISCYRA Rules.
2. This certificate shall be binding on all members, fleets, clubs, or organizations conducting races for the Star Class.
3. This certificate shall be replaced when the yacht is altered or sold. For replacement of the certificate contact the ISCYRA Central Office.
4. ISCYRA Rule 33.3 limits re-measurement of a yacht having a valid certificate.

The International Measurement Committee finds that the yacht described herein conforms with the plans and specifications of the Star Class and therefore grants this certificate to the yacht owner, subject to the conditions set forth above, so long as the owner or owners of the yacht are members of the ISCYRA.

Signed

John F. Kopp
(Chairman International Measurement Committee)

RE: Weight Certification Plaque

Enclosed is an official ISCYRA Weight Certification Plaque, as required by Star Class Specification 14. This plaque has been stamped to show the number of your boat and the amount of additional weight (if any) found necessary when your boat was weighed by a Certified Measurer or Weighmaster.

The plaque is a requirement of the Class rules. Absence of the plaque on the boat may be grounds for disqualification by a regatta jury.

The Specifications require that the plaque be permanently fixed to the cockpit coaming. The plaque is to be installed on the vertical surface just below deck level at the aft end of the cockpit opening. Four holes are provided so that the plaque may be installed with screws or a suitable adhesive such as epoxy cement.

The plaque must be securely installed. You may wish to coat your plaque with a clear finish or bed the back in cement to prevent corrosion. The epoxy coating does not cover the back. Please remember that the weight certification process involves two parts: sealing the weight and installation of the plaque. Your boat is legal only when the seals are intact and the plaque is in place. (Exception: While you are waiting for delivery of a new plaque or after a certified re-weighing, your copy of the measurer's weight certificate takes the place of the plaque.) Be sure to remove the old plaque if the new plaque is a replacement.

If you have any problems with your plaque or the seals, please let me know immediately. Since you are responsible for the legality of your boat, it is very important to report any difficulties you may encounter so that we can help solve the problem.
