

INFELLOWSHIP ACCOUNT INSTRUCTIONS

InFellowship is a secure and easy-to-use online tool that allows our church members and attenders to better connect with CrossPoint.

Step 1: Go to crosspointmodesto.org and click on the InFellowship link or go directly to cpcmodesto.infellowship.com. If you have already created your account, click **Sign In**. Don't have an account? **Sign up!**

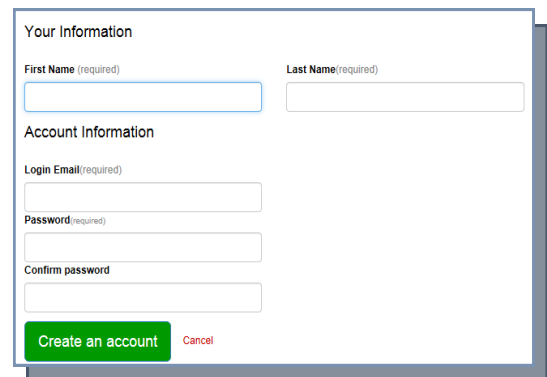

The screenshot shows the InFellowship Sign In page. At the top, there is the CrossPoint logo. Below it, there is a form with two input fields: "Email or Mobile Number" and "Password - forgot?". The "Email or Mobile Number" field contains the placeholder text "email@email.com or 123-456-7890". Below the password field is a "Sign In" button. At the bottom of the form, there is a link that says "Don't have an account? Sign Up". At the very bottom of the page, there is a footer with the Active Network logo and various links like "Terms of Use", "Copyright Policy", "Your Privacy Rights", "Cookie Policy", "Security", and "© 2018 Active Network, LLC".

PLEASE NOTE: When creating your account, your email address cannot be shared with anyone else (only one email per InFellowship account). You cannot have a "family" account; each household member (13+ years old per COPPA requirement) must have their own individual InFellowship account.

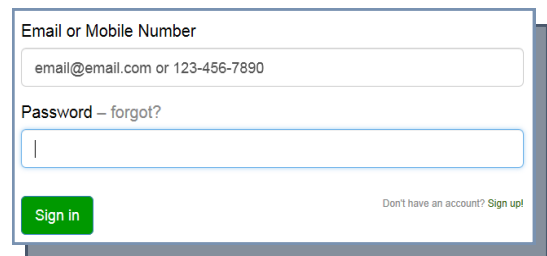

Step 2: Enter your first and last name. Enter the email address we most likely have on file. Create a password and re-enter it for confirmation. Click **Create an account**.

You will receive an email from fellowshiponemail@activenetwork.com with a link to confirm your email address. Click the link to continue.

Below that is the "Account Information" section with "Login Email (required)", "Password (required)", and "Confirm password" input fields. At the bottom, there is a green "Create an account" button and a red "Cancel" button.

Step 3: Log in to your account by entering the email address and password you used to create your account. Click **Sign in**.

Step 4: You're all set! You can now update your contact information, edit your privacy settings, search for a group or manage your group involvement, give online or see your current and prior year's contributions. You are also ready to go when it's time to register yourself or a family member for a CrossPoint event!
