

73rd Southern California AA Convention

"The Big Book Comes Alive in 2025"

"The tremendous fact for every one of us is that we have discovered a common solution. We have a way out on which we can absolutely agree, and upon which we can join in brotherly and harmonious action."

— Big Book of Alcoholics Anonymous, pg. 17

The Southern California Convention is the Grand Daddy of AA conventions in California. It was brought into existence to fulfill an important need for the members of Alcoholics Anonymous. Please join us in our 73rd year as we continue to share and celebrate our legacies of "Unity", "Service", and "Recovery" in an atmosphere of fun and fellowship for all.
