GENERAL INFORMATION

Why do I have to pay?

Conferences are events, not regular meetings. They require months of planning, preparation and money. Since the event is held in a hotel there are charges for the use of the facility. The hotel also requires the event to purchase food. There are also expenses for travel and lodging for the speakers. Additionally there are other expenses such as printing, supplies and postage. The San Diego Spring Round Up is self-supporting, they do not take money from any AA group and no 7th tradition is passed.
