Does a Certification Make You a Pro?

Fred Schenkelberg

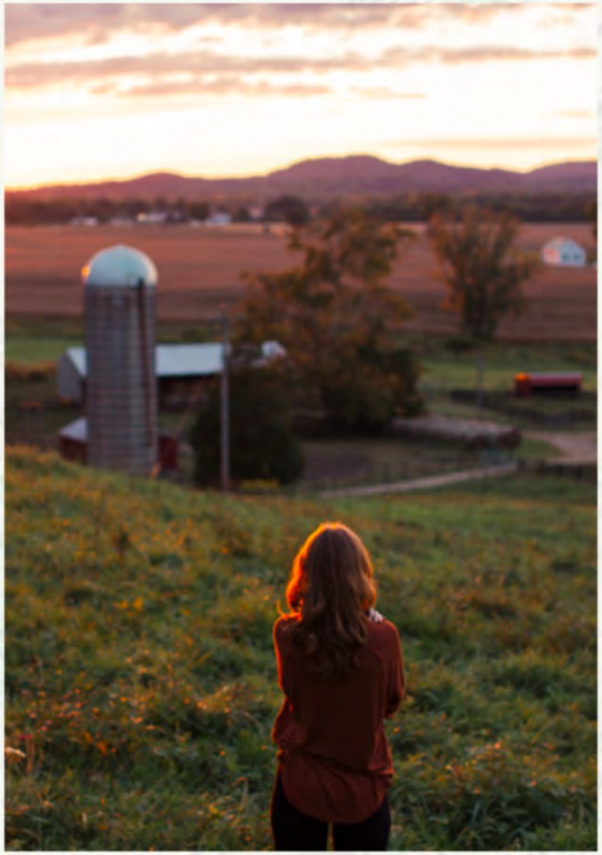
No

What is being a professional?

Why do people get certified?

Reliability Engineering Certification

Certification ≠ Professional



Why get a certification?

Which certification is right?

Certification ≠ Professional

No.

A certficaiton does not make you a professional.

What we do
matters

How we do our work matters

GARMIN
Mix of knowledge
and behavior

Why Get a Certification?

Will it make you taller?

To Learn

To Confirm Mastery

To Establish an
Obligation

Which Certification is Right for Me?

Or should you plan to get them all?

ASQ CRE

Certified Reliability Engineer

American Society for Quality

ASQ®

SMRP CMRP

Certified Maintenance Reliability Professional

Society for Maintenance and Reliability Professionals

AMP CRL

Certified Reliability Leader

Assocation of Asset Management Professionals

Other Certificates

There are others

Google is your friend here

Certification ≠ Professional

Why get a certification?

Which certification is right?
