FALL 2018

To the applicant: Complete the Applicant Information section below and sign at the bottom of this form by February 15, 2018. Select a member of your college faculty or administration to administer the Caltech Transfer Entrance Examinations, and request that they complete the Proctor Information section of this form. Return this form to the Office of Undergraduate Admissions.

To the Faculty Proctor: The student named below is applying for transfer admission to the California Institute of Technology for Fall 2018. Caltech requires that all applicants take Transfer Entrance Examinations in physics and mathematics. Each exam lasts approximately four hours. This student is requesting that Caltech send these materials to you. By signing and completing this form, you agree to administer and proctor the exams to the applicant. You also agree to return the exams to the Caltech Office of Undergraduate Admissions and not to distribute or make copies of the exam. We request that you attach your business card to this form.

Caltech will email the examinations and instructions to the address that you list below. Completed exams must be in the possession of the Caltech Undergraduate Admissions Office on or before March 22, 2018. We appreciate your assistance in this student’s transfer application process.
