## **Exhibit B – Alternative Work Schedule**

### **POLICY**

The Alternative Work Schedule Policy provides an opportunity for eligible employees to work 40-hour work weeks in less than the traditional five days per week. Alternative work schedules will be offered to the extent the practice does not negatively impact business operations or service to the community. Additionally, alternative work schedules will be offered in a way that will not materially increase the costs of serving the community of Burlingame. If a current employee is working a traditional 5/40-work week and his/her individual circumstance is not conducive to an alternative work schedule, the supervisor and manager will assess if the employee can keep his/her traditional 5/40 schedule. Such an assessment will involve looking at the needs of the City, public, employee and workgroup.

### **ELIGIBILITY**

The policy applies to full-time, regular employees whose shifts are traditionally scheduled Monday through Friday in the time period from 7AM - 7PM.

### **WORK SCHEDULE**

The standard alternative work schedule under this policy is referred to as a 9/80 work schedule. This provides that employees work nine hours per day, four days per week, plus one eight-hour day once every two weeks. If approved by the City Manager, departments may implement other alternative work schedules such as a 4/10.

### **WORK WEEK**

The standard work week is defined as 40 hours per week and will start at 12:01 pm on Monday.

### **HOLIDAYS**

Holidays will retain their value of eight hours per day. For example, if a holiday falls on what would otherwise be a 9-hour workday, the employee must either use one hour of vacation, administrative or floating holiday leave to be compensated for the additional hour. The employee, with the Department Head's approval, may also elect to work one additional hour another day within the work week to make-up for this hour.

### **PROGRAM CRITERIA:**

The success of this program is based on the premise that City services will be maintained and will not deteriorate due to the implementation of an alternative work program. Prior to implementing such a program, each department will be required to submit standards to the City Manager that will be used to measure the program impacts. Such standards should include some measurement of:

- ✓ Productivity
- ✓ Quality of Service and Impact on Key-Indicators regarding Service
- ✓ Sick Leave Usage
- ✓ Complaints from the public or other City departments regarding staff unavailability

- ✓ If service hours are extended into the evening, usage during the later hours
- ✓ Proportion of work that has either fallen to others (not on alternative work schedule) or not being done in a timely manner
- ✓ Economic Impact – including increase in overtime
- ✓ Employee Morale

Additionally, when designing a program for a specific unit or division, the following will need to be addressed:

- ✓ Adequate phone and counter coverage to provide services
- ✓ Cross-training to ensure all City services are maintained each day
- ✓ Sufficient supervision of the work group
- ✓ Coverage during peak vacation seasons
- ✓ Maintenance of services that require interdepartmental support
- ✓ Employee safety

Additionally, the City may make temporary adjustments to your alternative work schedule due to work demands. The City will give you a minimum of five (5) days advanced notification.

1. Effective \_\_\_\_\_, your new work schedule will be as follows:

**Week #1 (sample – use your actual)**

Monday through Thursday (7:30 a.m. – 5:00 p.m.) with a ½ hour lunch break. Friday (8:00 a.m. – 5:00 p.m.), with a 1 hour lunch break. **Total Work Hours: 44**

**Week #2 (sample – use your actual)**

Monday through Thursday (7:30 a.m. – 5:00 p.m.) with a ½ hour lunch break. Friday (scheduled 9/80 day off). **Total Work Hours: 36**

2. **Holidays:** If a holiday falls on your scheduled 9/80 day off, you will receive 8 hours of floating holiday. The days will be referred to as AWS Floater Days. All AWS floater days accrued in a calendar year must be used no later than January 31 of the following calendar year. You will not be allowed to carry-over, bank or accrue the AWS floater days. There is no cash value attached to an AWS floater day. You are not entitled to payment for any AWS floater days unused at the time of resignation or termination of City employment.
3. **Other Leave Days Affected by 9/80 Day Off:** If you take a day of vacation leave, sick leave, administrative leave or other benefit leave, you must use the number of hours which corresponds to your alternative work schedule. As an example, you will use 9 hours of sick leave if you are absent due to illness on a scheduled 9-hour workday and 8 hours of sick leave if you are absent due to illness on a scheduled 8-hour workday.
4. **Vacation and Sick Leave Accrual:** You will continue to accrue vacation leave, sick leave and other forms of leave at the rate specified in your employee MOU benefit agreement.
5. **Temporary Work Schedule Change:** Temporary changes in your alternative work schedule must be pre-approved by the Department Head and require a minimum five (5) days advance notification. Additionally, due to work demands the Department Head may make temporary changes to your Alternative Work Schedule with a minimum five (5) days advance notice.
6. **Vacation and Other Leave Requests:** In order to minimize the impact of reduced staffing days, every attempt should be made to plan vacations and other leaves during your four (4) day work week. Special circumstances may be granted allowing overlapping of schedules only with prior approval of the Department Head. You are highly encouraged, although not mandated to schedule dental, doctor and other personal appointments on your 9/80 day off.

CG  
12-1-18

7. **Employee Request to Discontinue Flex Work Schedule:** You are required to commit to the prescribed alternative work schedule agreement. If you no longer choose to continue with the agreement, you will need to request that the agreement be terminated. Such a request needs to be submitted to me in writing with a minimum of thirty (30) days prior to the desired date of change. Any early termination of the agreement is subject to my approval.
8. **Extended Work Week:** By agreeing to the Flex Work Schedule, you will be required to work one 44 hour and one 36-hour work week for a total of 80 hours in a regular two-week pay period. **\*\*\*if for FLSA exempt employee, use the following** As a mid-manager and member of the Mid-Management Bargaining Unit, you do not accrue overtime, and will not be additionally compensated above and beyond the work week(s) as defined in this document. Mid-Management leave will continue to be accrued and dispersed as described in your Mid-Management MOU.
9. **Work Expectations:** You enter into this agreement knowing that there will be no modification to your workload or job expectations to accommodate an alternative work schedule. As such, if the City determines that this program is detrimental to your performance or negatively impacting job expectations, it may be terminated with a ten (10) day minimum notice.
10. **Paychecks:** Paychecks will not be released early to employees who are off on Fridays as a result of the Alternative Work Schedules. Employees on this program are strongly encouraged to register for direct deposit. On payday, paychecks will be available on Friday morning in the employee's department.

***My signature below signifies that I agree to all the listed conditions and understand that the City reserves the right to discontinue this program with 10 days advanced notification.***
