

PRODUCT INFORMATION

4-BARREL™ is formulated for quick and efficient foliar nutrient delivery to row crops, vegetables, fruit & nut trees and fruiting vine crops to prevent and correct micronutrient deficiencies. The specific mixture and formulation of nutrients in 4-BARREL allow season long versatility and can be applied at any growth stage for correction of micronutrient deficiencies.

APPLICATION INFORMATION

Foliar Application:

1-4 pints per acre. 2 pints per acre is most common.

The use of an adjuvant recommended for use with foliar fertilizers is suggested.

Ground: Apply in a minimum of 10 gallons of water per acre.

Aerial: Apply in a minimum of 2 gallons of water per acre.

Soil Application:

1-2 quarts per acre. Do not mix with phosphate starter fertilizers.

Mixing and Handling Precautions

- 4-BARREL will tank mix with most commonly used pesticides & fertilizers.
- CAUTION: Not compatible with phosphate (P2O5) fertilizer solutions.
- Always check compatibility by jar test when tank mixing with more than one pesticide or fertilizer or when mixing with high pH or hard water.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>

HAZARD STATEMENTS

CAUTION: This material should only be used as recommended. It may prove harmful when misused.

- Avoid contact with eyes
- Avoid contact with skin
- Do not breath mist or vapor
- Do not swallow
- Wash thoroughly after handling

First Aid:

If In Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, seek medical advice or attention.

Personal Protective Equipment:

Wear gloves and protective clothing. Wear eye protection (glasses, goggles or face shield).

STORAGE & DISPOSAL:

Store product in original container. Do not store in excessive cold or heat. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Triple rinse or equivalent and dispose of container in accordance with local, state and federal regulations.

WARRANTY

Conditions of Sale and Warranty Limitation: The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of West Central Distribution, LLC or the seller. All such risks shall be assumed by the buyer. West Central Distribution, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. West Central Distribution, LLC makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall West Central Distribution, LLC or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. West Central Distribution, LLC and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of West Central Distribution, LLC.
