GENERAL INFORMATION

AquaGro 2000 G is 30% (wt) AquaGro 2000 L impregnated on vermiculite. AquaGro 2000 G can be conveniently incorporated into growing media as it is being mixed. AquaGro 2000 G is a blend of non-ionic surfactants that helps uniformly wet and drain soilless growing media. Mixes with AquaGro 2000 G can be steam or chemically sterilized.

DIRECTIONS FOR USE

AquaGro 2000 G in mixes: Incorporate 1 lb AquaGro 2000 G/cu yd (500 g/m²) by thoroughly mixing, or add while tumbling. 1 lb = 7 cups by volume or 0.45 kg or 450 g by metric weight. For smaller batches of mix use 3 tbsp of AquaGro 2000 G per U.S. bushel (1.2 cu ft or 33.98 L). This equates to 25 g per 50 L or 15 g per cu ft.

For best results use mix within four months.

For more detailed use information, call 800-257-7797 or 856-537-6003.

STORAGE AND DISPOSAL

- Keep container tightly closed. Store in original container only. Keep in a secure and locked storage area. Do not add water to the contents of this container.
- Triple rinse container, empty rinse water into spray or stock tank. Dispose of empty containers in accordance with federal, state and local law.

**CONDITIONS OF SALE
LIMITATION OF LIABILITY AND REMEDIES
AQUATROLS CORPORATION OF AMERICA**

Injury to the crop on which the product is applied may result from the occurrence of extraordinary or unusual weather conditions, the failure to follow the label directions or good application practices, all of which are beyond the control of the seller. In addition, failure to follow label directions may cause injury to other crops, animals, man, or the environment.

This product is to be used and applied according to the label directions by professionals trained in the use of agricultural chemicals. This material is not intended for use by, nor should be used by, consumers. The seller warrants that this product conforms to the chemical description on the label.

The seller makes no other warranties or representations of any kind, expressed or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the seller for any cause of action relating to the handling or use of this product is claim for damage, and in no event shall damages or any other recovery of any kind against the seller exceed the price of the product which causes the alleged loss, damage, injury or other claim. The seller shall not be liable and any and all claims against the seller are waived, for special, indirect, incidental or consequential damages or expenses, of any nature including but not limited to, loss of profits or income, or any liability incurred by the buyer to any third party in any way arising out of or relating to the handling, repackaging from original container or the relabeling by the buyer or user, or use of this product, whether or not based on the seller's negligence, breach of warranty, strict liability in tort or any other cause of action.

The seller offers this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
