

AQUICARE® PELLETS

**TURF AND SOIL WETTING AGENT
FOR HOSE-END APPLICATORS**

CONTAINS NON-PLANT FOOD INGREDIENT(S)

ACTIVE INGREDIENTS:

56.25	Ethylene oxide-propylene oxide copolymer
11.25%	Polyethylene glycol
7.5%	Poly(oxy-1,2-ethanediyl), .alpha.-[2,4-bis(1,1-dimethylpropyl)phenyl]-.omega.-hydroxy-

Inert Ingredients:

25.0%	Water Soluble Binder
100.0%	Total

KEEP OUT OF REACH OF CHILDREN

WARNING/AVISO

Irritant to eyes, skin, and ingestion.

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle.
(If you do not understand the label, find someone to explain it to you in detail.)

PRECAUTIONARY STATEMENTS

To minimize risk of irritant exposure, use proper gloves when handling and wash hands before touching eyes or eating. Get medical advice/attention if you feel unwell. Dispose of contents/container in accordance with local/regional/national and international regulations.

STORAGE AND DISPOSAL

Maintain pellets in tube with lid on during storage. Keep pellets dry. Store in cool area away from sunlight and sources of direct heat. Do not reuse empty container. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. Contact your state and local ACRC recycler or visit the ACRC web page at www.agrecycling.org. Decontaminated containers may also be disposed of in a sanitary landfill.

For Chemical Emergency: Spill, Leak, Fire, Exposure, or Accident, call CHEMTREC 1-800-424-9300.

FIRST AID

IF IN EYES: Rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists get medical attention.

In case of Medical Emergency, call toll free: 1-866-767-5042.

GENERAL INFORMATION

The Aquicare Pellet is a safe, non-phytotoxic wetting agent specially formulated to prevent and control localized dry spot conditions and water repellent soils. This unique formulation reduces water surface tension, which optimizes the balance of precipitation and irrigation water with air in the soil to promote healthy plant growth.

It is specifically designed to resist excessive water retention at the soil surface, but maintain optimum moisture levels in the root zone to provide a firm, healthy playing surface. Aquicare Pellets are non-phytotoxic and are designed not to burn or discolor grass.

AQUICARE PELLETS

TURF AND SOIL WETTING AGENT FOR HOSE-END APPLICATORS

DIRECTIONS FOR USE

READ ENTIRE LABEL BEFORE USING

An Aquicare Pellet typically dissolves in 12-20 minutes using a 1" hose with 80-100 psi. The dissolution rate is determined by water pressure, flow rate and water temperature. Each pellet is formulated to contain approximately 6 oz of Aquicare which is sufficient to treat an average golf green of 6000 ft² with 1 oz of active ingredient per 1000 ft². Depending on soil type and climate, Aquicare Pellets will give effective treatment for approximately 1 to 2 weeks and can be applied as often as needed to maintain turf quality. Aquicare Pellets should work with most hose-end applicators. Hose-end applicators are available through your Heritage PPG sales representative.

NOTICE OF WARRANTY

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
