

# Pelleted Herbicide

## FOR VEGETATION CONTROL IN NON-CROP AREAS

### ACTIVE INGREDIENTS

Diuron [3-(3,4-dichlorophenyl)-1,1-dimethylurea]. . . . .	2%
Bromacil (5-bromo-3sec-butyl-6-methyluracil). . . . .	1%
Sodium Chlorate ( $\text{NaClO}_3$ ). . . . .	40%
Sodium Metaborate* ( $\text{Na}_2\text{B}_2\text{O}_4$ ). . . . .	40%

**INERT INGREDIENTS. . . . . 17%**

**TOTAL. . . . . 100.0%**

\*Equivalent to 4.87% boron expressed as elemental boron.

EPA REG. NO. 33560-43

EPA EST. NO. 19713-TN-006

**NET WEIGHT 25 POUNDS**

THIS PRODUCT CONTAINS A FIRE RETARDANT

**KEEP OUT OF REACH OF CHILDREN**

# DANGER — PELIGRO

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Corrosive. Causes irreversible eye damage. Wear protective eyewear (goggles, face shield, or safety glasses). Do not get in eyes or on skin or clothing. Harmful if swallowed. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

#### PERSONAL PROTECTIVE EQUIPMENT

Applicators and other handlers must wear:

Coveralls over long-sleeved shirt and long pants.

Chemical resistant gloves made of any waterproof material.

Chemical resistant footwear plus socks.

Wear goggles or face shield.

Follow manufacturer's instructions for cleaning & maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. Do not store near food or feed products. Store out of weather.

#### ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water used by wildlife and aquatic life or for domestic and irrigation purposes. Do not contaminate water when disposing of equipment wash waters or rinsate.

### FIRST AID

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lens, if present, after first five minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or a doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

### STORAGE AND DISPOSAL

**STORAGE:** Do not contaminate water, food, or feed by storage, disposal, or cleaning of equipment. Open dumping is prohibited. Avoid contamination of feed and foodstuff. Store in a dry place.

**PESTICIDE DISPOSAL:** Pesticide or rinse water that cannot be used according to label instructions must be disposed of according to applicable Federal, state or local procedures.

**CONTAINER DISPOSAL:** Completely empty bag by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then, dispose of bag in a sanitary landfill or by incineration if allowed by state or local authorities.

VEGETATION CONTROL FOR THE 21ST CENTURY

# BAREGROUND 21

VEGETATION CONTROL FOR THE 21ST CENTURY

*Specimen Label*

## GENERAL INFORMATION

BareGround 21 is a non-selective herbicide that can be applied before or after plant growth begins. Since BareGround 21 enters plants through their roots, its effectiveness is dependent on rainfall to move the chemical into the root zone. Very dry soil conditions and lack of rainfall may result in poor weed control.

Thoroughly clean spreading equipment with a suitable chemical cleaner before using for other purposes (or do not use the same spreading equipment for other purposes).

## APPLICATION INFORMATION

Use only in non-crop areas where complete control of all vegetation is desired, such as industrial sites, right-of-way, lumberyards, petroleum tank farms, around farm buildings, along fence lines and similar areas. When applied to the soil, this product usually inhibits all plant growth for a year or more. This product is not to be used in any recreational areas or in or around homes.

Do not apply this product in a way that will contact workers or other persons either directly or through drift. Only protected handlers may be in the area during application.

## DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Pro-Serve's BareGround 21 should be used only in accordance with recommendations on this label.

Pro-Serve, Inc. will not be responsible for losses or damages resulting from the use of this product in any manner not specifically recommended by Pro-Serve, Inc. User assumes all risk associated with such non-recommended use.

## ENTRY RESTRICTIONS

Do not enter or allow others to enter the treated areas until dusts have settled.

## USE RATES

Annual broadleaf weeds and grasses:

Apply 1/2 – 1 lb of product per 100 sq. ft.

Perennial broadleaf weeds and grasses:

Apply 1 – 2.5 lbs of product per 100 sq. ft.

Note: Where deep-rooted perennials are present, use the 2.5 lb rate.

The higher rates listed above should be used in areas having a long growing season or high rainfall. The higher rates will also provide longer residual control.

## USE PRECAUTIONS

1. Do not apply on or near valuable woody or herbaceous plants or on areas where their roots may extend.
2. Do not use on croplands or any land to be used for subsequent cropping.
3. Do not allow animals onto treated areas until rain has leached all herbicide into the soil.
4. Do not use equipment to apply insecticides, fungicides or fertilizers.

NOTICE: Because of the many varying conditions affecting use and application, such as location, seasonal weather, soil composition and type of vegetation, manufacturer warns buyer that these and other conditions may impair or vary the results or effects of the use of this product. In any event, complete elimination of weeds is not guaranteed. It is advisable to consult your State Extension Service or Agricultural Experiment Station Weed Specialist on specific problems. Neither manufacturer nor seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label or when used contrary to the directions or instructions herein nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms and assumes all risks of usage and handling except when used or handled in accordance with this label. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, express or implied by law, not specifically set forth herein.

DISCLAIMER: Pro-Serve, Inc. warrants only that the material contained herein conforms to the chemical description of the label and is reasonably fit for the use therein described when used in accordance with the DIRECTIONS. It is impossible to eliminate all risks associated with use of this product. Injury to desired vegetation, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other minerals, soil conditions, or the manner of use or application, all of which are beyond consequential commercial damages, such as loss of profits or values of any other special or indirect damage. Pro-Serve, Inc. makes no other expressed or implied warranty, including any other express or implied warranty of FITNESS or MERCHANTABILITY.
