

Ureabor

Pelleted, Non-Selective, Residual Herbicide

ACTIVE INGREDIENTS

Bromacil (5-bromo-sec-butyl-6-methyluracil).....	1.5%
Sodium Chlorate (NaClO ₃).....	30.0%
Sodium Metaborate* (Na ₂ B ₂ O ₄).....	49.0%
INERT INGREDIENTS.....	19.5%
TOTAL	100.0%

BY WEIGHT

*Equivalent to 6.5% boron expressed as elemental boron.

THIS PRODUCT CONTAINS A FIRE RETARDANT

EPA REG. NO. 33560-47

EPA EST. NO. 19713-TN-006

KEEP OUT OF REACH OF CHILDREN DANGER – PELIGRO

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Have the product container with you when calling a poison control center or doctor for further treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Causes substantial but temporary eye injury. Wear protective eyewear (goggles, face shield, or safety glasses). Avoid contact with eyes or on skin or clothing. Harmful if absorbed through the skin or swallowed. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

USER SAFETY RECOMMENDATIONS

USERS SHOULD: Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clothing. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

NET WEIGHT: 50 lbs.

Pro-Serve, Inc.

PERSONAL PROTECTIVE EQUIPMENT

Applicators and other handlers must wear:

Long-sleeved shirt and long pants.

Shoes plus socks.

Protective eyewear.

Chemical resistant gloves made of any waterproof material.

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. Do not store near food or feed products. Store out of weather.

GENERAL INFORMATION

BareSpot® Ureabor is designed for non-selective kill of weeds and grasses with a single treatment. Use for quick knockdown of existing vegetation as well as short season effect in the soil for control of regrowth or new seedlings. BareSpot® Ureabor is also effective on perennial grasses such as Johnson grass, Bermuda grass, Dallis grass and Quack grass.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

FOR USE ON INDUSTRIAL SITES OR SIMILAR NON-CROPPED AREAS

IMPORTANT: This material is not selective in action, may be toxic to all types of vegetation, and may render the entire treated area totally or partially unproductive for one or more years. Care should be taken to contain the use of application to the particular area intended to be treated and to avoid its contact with lawns, trees, shrubs, crops and other desirable plants which are not intended to be destroyed or injured. This includes precautions in treating areas which may be underlaid by roots of adjacent desired growths. Careless application of this material, or washing by water runoff to areas where desirable plants are growing or which will be used for later planting may result in injury to desirable plants. Do not drain or flush equipment on or near such areas.

Do not contaminate domestic or irrigation water or waters used by fish and wildlife. Wash clothing and equipment after application. Keep animals off treated area until rainfall has leached all the herbicide into the soil. Mechanical equipment should be thoroughly cleaned after use.

WHERE TO USE

AROUND OR NEAR THE FOLLOWING: Bleachers, Bridge abutments, Buildings, Bunkers, Buried cable closures, Catwalks, Compressor stations, Cooling towers, Cross connect boxes, Ditch banks, Electrical generators, Fence lines, Fire hydrants, plugs or walls, Fuel tanks, Generating plants, Guardrails, Helo pads, Highway & street markers, Loading stations, Lumber yards, Microwave towers, Oil & Gas pipelines, Oil refineries, Parking lots, Pump decks, Railroad lines & sidings, Runway lights, Runways, Sign posts, Storage & equipment yards, Utility poles & substations, Vacant lots, Valves & manifolds, Waste lagoons or other similar non-crop areas.

WHEN TO USE

Use BareSpot® Ureabor anytime during the growing season. Weeds and grasses are easier to kill when they are young and growing rapidly.

GENERAL PRECAUTIONS AND RESTRICTIONS

Not to be used in any recreation areas or in and around homes.

Do not contaminate water used by wildlife and aquatic life, or for domestic and irrigation purposes. Do not apply where run-off is likely or where weather conditions favor movement away from target areas.

Do not enter or allow entry by domestic animals and other persons until dusts have settled. Do not apply product in a way that will contact workers or other persons, either directly or through spray drift. Only protected handlers may be in the area during application.

APPLICATION INSTRUCTIONS

Application: For all uses, uniform application is essential. The material becomes effective in the soil followed by rainfall or irrigation. (See applications rates below.) BareSpot® Ureabor is ready to use! Apply with a hand-operated spreader, such as a conventional cyclone type spreader or a power spreader for larger areas.

Use the following rates of application under most conditions. When using these rates, this product can be applied once a year.

KINDS OF WEEDS	APPLICATION RATES
ANNUAL Weeds and grasses such as Sunflower, Kochia, Russian Thistle, Pigweed, Crabgrass, Downy Brome.	1–1.5 lbs./100 sq. ft.*
PERENNIAL Weeds and Grasses such as Johnson grass, Bermuda grass, Dallis grass, Quack grass, Canada thistle, Bindweed, Bluegrass.	1.8 lbs./100 sq. ft.
MIXED Annual and perennial weeds and grasses	1.8 lbs./100 sq. ft.

Approximately 2 1/2 cups of Ureabor equal 1lb.

**As low as 1lb./100 sq.ft. can be used on young and rapidly growing annual weeds.*

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

PESTICIDE STORAGE: avoid contact with floor and moisture.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Empty product from bag before disposal. Dispose of bag in a sanitary landfill or by incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

NOTICE: Because of the many varying conditions affecting use and application, such as location, seasonal weather, soil composition and type of vegetation, manufacturer warns buyer that these and other conditions may impair or vary the results or effects of the use of this product. In any event, complete elimination of weeds is not guaranteed. It is advisable to consult your State Extension Service or Agricultural Experiment Station Weed Specialist on specific problems. Neither manufacturer nor seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label or when used contrary to the directions or instructions herein nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms and assumes all risks of usage and handling except when used or handled in accordance with this label. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, expressed or implied by law, not specifically set forth herein.

DISCLAIMER: Pro-Serve, Inc. warrants only that the material contained herein conforms to the chemical description of the label and is reasonably fit for the use therein described when used in accordance with the DIRECTIONS. It is impossible to eliminate all risks associated with use of this product. Injury to desired vegetation, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other minerals, soil conditions, or the manner of use or application, all of which are beyond consequential commercial damages, such as loss of profits or values of any other special or indirect damage. Pro-Serve, Inc. makes no other expressed or implied warranty, including any other express or implied warranty of FITNESS or MERCHANTABILITY.
