DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This labeling and the EPA approved container label must be in the possession of the user at the time of application. Read the label affixed to the container for BEXAR insecticide before applying. Use of BEXAR insecticide according to this labeling is subject to the use precautions and limitations imposed by the label affixed to the container for BEXAR insecticide.

New use directions appear on this supplemental labeling that may be different from those that appear on the container label.
