

BioWake™ for Corn is a bacterial inoculant for use in agriculture for corn and sorghum during critical stages of development. When applied, **BioWake™ for Corn** allows plants to more effectively utilize nutrients and provides seed lubricant and seed flow aid during planting or seeding

AMV-450-4-470-D

DIRECTIONS FOR USE

PLANTER BOX/HOPPER BOX APPLICATION:

The recommended application rate is 0.5 oz. (14 g) per 1 unit of corn (80,000 seeds/unit). (14 g) per 50,000 sorghum seeds. Apply by dispersing the powder evenly onto seeds using appropriate equipment.

BioWake for Corn can be applied in all planter types.

No additional specific markers or distinguishing features of seed coating are needed.

Read the entire front and back label before using this product. Use only according to label directions. To the extent consistent with applicable law, this product shall not be reverse-engineered or used by Buyer for research purposes.

HANDLING:

Avoid contact with skin, eyes, and clothing. Avoid inhalation of powder. Wash any contamination from skin or eyes immediately. Wash hands and exposed skin before eating, drinking, smoking, or using the toilet.

STORAGE:

Store in tightly closed original container in a dry, cool, and well-ventilated place. Do not exceed 80°F for extended periods. Keep container closed when not in use. Keep away from food, drink, and animal feedstuffs.

DISPOSAL:

Dispose of contents/container in accordance with local/regional/national/international regulations.

EXPIRATION DATE:

Product is stable for nine months from packaging date when stored as directed. Please see the packaging date found on this container.

LIMITED WARRANTY:

The Seller warrants that this product contains the minimum number of *Methylobacterium* viable cells as specified on this label. The Seller makes no other warranty expressed or implied as to product viability or performance since product storage, use, and growing conditions are beyond the Seller's control. Seller's limited warranty is limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition. Seller shall not be liable for special, indirect, incidental, or consequential damages. If this product does not perform as warranted above, and to the extent consistent with applicable law, customer's sole remedy for breach of warranty shall be replacement of the product or refund of the purchase price paid at the option of AMVAC.

EXCEPT AS PROVIDED ELSEWHERE IN WRITING CONTAINING AN EXPRESSED REFERENCE TO THIS WARRANTY AND LIMITATION OF DAMAGES, SELLER MAKES NO OTHER EXPRESSED OR IMPLIED WARRANTY OR GUARANTEE TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, INCLUDING ANY OTHER EXPRESSED OR IMPLIED WARRANTY OF FITNESS, NON-INFRINGEMENT, OR OF MERCHANTABILITY, AND NO AGENT OF SELLER IS AUTHORIZED TO DO SO.
