### DIRECTIONS FOR USE

Boron 10% delivers a valuable source of Boron for treating nutrient disorders in crops. This fertilizing material can be applied to increase nutrient availability to targeted crops. Application of Boron 10% should be made based on soil, water and plant tissue analysis.

### Foliar Application

Apply Boron 10% as a single or multiple applications at the rate of 2 to 8 quarts per acre.

**Vegetable and Grain:** Apply 2 to 8 quarts per acre per application. Repeat every 2 to 4 weeks as necessary.

**Grapes:** Apply 2 to 8 quarts per acre per application starting at leaf development. Repeat every 2 to 4 weeks as necessary.

**Tree Crops and Nuts:** Apply 2 to 10 quarts per acre per application. Repeat every 2 to 4 weeks as necessary.

**Berry Crops:** Apply 2 to 10 quarts per acre per application. Repeat every 2 to 4 weeks as necessary.

**CONDITIONS OF SALE AND WARRANTY:** Gar Bennett warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. Gar Bennett neither makes, nor authorizes any agent or representative to make, any other warranties, express or implied, including fitness or merchantability. The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as timing and method of application, weather and crop conditions, presence of other materials, or other influencing factors, all of which are beyond the control of Gar Bennett. Buyer and user acknowledge and assume all risks and liability resulting from the handling, storage and use of this material not in strict accordance with directions given herewith. In no case shall Gar Bennett be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition of sale by Gar Bennett and is accepted as such by the Buyer.

**PRECAUTIONARY STATEMENTS:** Wear eye/face protection and protective gloves. Wash thoroughly after handling. KEEP OUT OF REACH OF CHILDREN.

#### FIRST AID:

**If on skin:** Wash off with soap and water. Get medical attention if irritation

develops and persists.

**If in eyes:** Rinse with plenty of water. Get medical attention if irritation develops and persists.

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Store in originally labeled containers. Dispose of empty containers in compliance with local regulations.
