

Brandt® Neutra Clean

Spray Tank Cleaner & Neutralizer

Ingredients:

Sodium hydroxide, Anticorrosion compounds,
Sequestering agents, Nonionic and Ionic surfactants

DIRECTIONS FOR USE

BRANDT NEUTRA CLEAN is an extremely powerful cleaner/emulsifier. It re-emulsifies and suspends spray tank residues so that they may be removed from the interior of the spray equipment. BRANDT NEUTRA CLEAN has built-in water softeners so that it can work well in hard water situations.

To clean and neutralize, use 1 quart per 100 gallons of water, or 1 gallon per 400 gallons of water. Circulate or agitate tank for 5 minutes, then flush solution through the pump and discharge lines. After discharge, thoroughly rinse interior of tank with clean water and rinse again.

Warranty: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.

Net Contents:

1 gallon (3.78 L)

06021BRN101
2016-03 (GHS)

DANGER: Causes serious eye damage. Causes skin irritation.

Precautionary Statements

Wash thoroughly after handling. Wear protective gloves, eye and face protection. Avoid release to the environment.

First Aid

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center.

IF ON SKIN: Wash with plenty of water. Take off all contaminated clothing and wash before reuse. Rinse skin with water. If skin irritation occurs, get medical advice/attention.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up and away from incompatible materials. Dispose of contents/container in accordance with local regulations.
