

Brandt® Smart Cu

Copper Solution

5-0-0

Guaranteed Analysis

Total Nitrogen (N)	5.0%
5.0% Urea nitrogen	
Sulfur (S)	3.0%
Copper (Cu)	6.0%

Derived from urea and copper sulfate.

F76

General Information

BRANDT SMART Cu is specifically formulated for delivery of copper for all crops, when applied during appropriate stages of growth and development and as a part of a balanced fertility program.

Rate Recommendations

Foliar Application

Field, Row, Vegetable Crops: Apply 0.5-2 pints per acre in sufficient spray volume for thorough coverage (minimum of 10 gallons for rate ≤1 pt.; 25 gallons for rate >1 pt.).

Fruit, Tree, Vine Crops: Apply 1.5-3 pints per acre in a minimum of 25 gallons water. For smooth skinned fruit apply 1 pint per acre in 50-100 gallons of water.

Citrus: Apply 1.5-3 pints per 100 gallons of cover spray any time except during bloom.

Aerial: Apply 1 pint per acre in at least 5 gallons of water.

Soil Application

All crops: Apply 1-3 quarts per acre. Not for use with starter fertilizer.

Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements. For best results, follow soil/tissue test recommendation.

Treating sensitive crops such as leafy greens and soft skinned fruits during periods of high temperatures may result in cosmetic injury. Avoid applying this product when plants are suffering from moisture stress. Apply the spray solution to a small test area of the crop or foliage to assess any undesirable effects or phytotoxicity before general application.

Net Contents: 2.5 gallons (9.46 liters)

Density: 10.7 lb/gal @ 68°F
Net Weight: 26.5 lb (12.0 kg)

Mixing and Handling Instructions

Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>
Information about the components of this lot of fertilizer may be obtained by writing to Brandt Consolidated, Inc. and giving the lot number which is found on the container or label.

WARNING: Causes serious eye irritation. Causes skin irritation. Harmful if swallowed.

Precautionary Statements: Wear eye/face protection and protective gloves. Do not eat, drink or smoke when using this product. Wash thoroughly after handling. Avoid release to the environment. Collect spillage. **First Aid:** *If in eyes:* Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. *If on skin:* Wash with plenty of water. Take off contaminated clothing and wash before reuse. If skin irritation occurs, get medical attention. *If swallowed:* Rinse mouth. Call a doctor if you feel unwell. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of contents/container in accordance with local regulations.
